

*Automotive Chemicals - Car Care - Cleaning*

Version: **CC6/003**

## **Valvoline™ Clean Tronic**

***Clean Tronic is a multipurpose electrical contact cleaner. It penetrates and lubricates electrical contacts, protecting against rust and corrosion.***

Clean Tronic is a powerful multipurpose aerosol that not only cleans, but also preserves and lubricates.

---

### **Applications**

For use on electrical contacts of passenger cars, vans, trucks, buses, trailers etc.

Suitable for industrial objects and household equipment.

### Easy to use:

Spray Clean Tronic on electrical contacts, allow to penetrate, then wipe away dirt and corrosion. Reapply, and allow to dry for protection and lubrication. Carefully move the contact surfaces. Use the extension tube for pinpoint accuracy and inaccessible areas.

---

### **Features & Benefits**

#### **Superior performance and protection**

Electrical contacts can become dirty and sticky which makes them less efficient. Clean Tronic easily removes contaminants and protects at the same time inhibiting rust and corrosion.

#### **Multi-purpose application**

No need for more than one product to clean, protect and lubricate electrical contacts, Clean Tronic does it all. Can be used for both automotive and home equipment, including hi-fi and other musical equipment.

#### **Excellent cleaning & lubrication**

Clean Tronic cleans and lubricates electrical contacts and removes deposits from inaccessible areas.

# PRODUCT INFORMATION

## Keeping the world moving since 1866™

Serving more than 100 countries around the globe, Valvoline is a leading marketer, distributor and producer of quality branded automotive and industrial products and services. Typical property characteristics are based on current production. Whilst future production will conform to Valvoline specifications, variations in these characteristics may occur.

Clean Tronic	
Appearance	Clear liquid
Colour	Clear
Propellant	Propane/butane
Odor	Typical
Application temperature	10-35°C.
Specific Gravity @ 20°C.	0,812
Storage	Cool & dry

**This information only applies to products manufactured in the following location(s): Europe**

## Health & Safety

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet <http://msds.valvoline.com>

## Protect the environment

Take used chemicals to an authorized collection point. Comply with local regulations. Do not discharge into drains, soil or water.

## Storage

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
